

TESTIMONIALS FOR THE MAGIC OF BRIAN RICHARDS

“Sunday school Teachers loved your act...”

“I thought you should know that the Sunday School teachers loved your act! The kids of course loved you. It was a great day, a great message, and a whole lot of FUN. Thanks again for sharing this wonderful gift you have with our young people!!”

Andi Little, St. John the Baptist Savage, MN.

“I thought it was an excellent program!”

“The parents were very pleased with our annual event, we increased our attendance from 550 to around 900 children, parents, grandparents, and teachers! While we had many comments from happy parents, I think the excited faces of the children during the program and the “mob rush” at the end to meet Brian says the most about how much they enjoyed the day.

I thought the program was EXCELLENT!!”

Barb Anderson, Shepherd of the Valley Prior Lake, MN.

“It was FUN for all ages....”

“We really enjoyed your show, as did our children. Thank-you for the wonderful message of prayer. You are obviously using the gifts God gave you to build up his kingdom. You were funny, entertaining, and very professional. It was fun for all ages.” **Luke & Lisa Olson St. Peter’s Church Mendota, MN.**

“Great job connecting with students...”

“Brian did a great job connecting with students at our school. Pre - 6th grade followed the message as well as the humor and fun. I was thrilled to hear he had more than one theme, we will definitely call him again!” **St. Francis Xavier School**

“Shared the message of God’s greatest gift”

“Brian did an awesome job entertaining the 4-6 year olds in our Sunday School Program. Not only did he keep them captivated and laughing (as well as the adults present), but he also shared the message of God’s Greatest Gift. I would highly recommend him to any Church group!” **Ana Theisen, Church of St. John Neumann Eagan, MN.**

“Our students have carried the teachings into the classroom!”

“The students and teachers were very impressed with the manner in which you engaged our students during your presentation of Magic of Faith. Our students have carried the teachings into the classroom and it has given the teachers a great launching point to problem solving instruction.

We would highly recommend you to other schools. As you know it was during Catholic schools Week that you were here, and the message was so appropriate for us. When students continue to talk about what they have seen and heard that is the best testament a program could have as an endorsement! Keep up the great work and keep delivering the message of love for our neighbor!”

Mary Bray, Principal-St. Joseph School Prescott, WI.

“all enjoyed and were entertained...”

“Brian did a great job in sharing the Magic of Faith. We had a large age range of people in the audience (from young to grandparents), and they all enjoyed and were entertained by Brian...THANK-YOU!” **Todd Grover, First Lutheran Church of Crystal Crystal, MN.**
